Exposure to Diversity + Lessons Learned

Cultural Diversity

Born and raised in Miami by two Peruvian immigrants

- *Hard work > Natural Talent*
- *Each culture is uniquely valuable*
- *Words are only a small part of communication*

Socioeconomic Diversity

Attended UPenn due to its status in Engineering and Business colleges

- *Defining success helps make decisions*
- *Finances determine priorities*
- *Tolerance is not enough, acceptance is the end goal*

Disciplinary Diversity

Transferred to FIU and majored in Interdisciplinary Engineering

- *Interdependency is efficient*
- *Breadth > Depth for ideating*
- *A good solution considers not just the user but its system too*
